Attachment 2

November 16, 1956

MEMORANDUM FOR: Chairman, Technical Panel for International Broadcasting  
(TPIB)

FROM: Chairman, Committee on Broadcasting and Television  
(COBAT)

SUBJECT: Utilization of RFE Equipment

A recent telegram from Tripoli (#303 of November 6) stressed the urgency of improving the signal strength of the VOA Arabic transmissions. With specific reference to this telegram, COBAT requests the TPIB for recommendations concerning the utilization of any RFE 50 KW equipment now stored in the Bremen Overseas Free Port Zone of Germany.
